Free Screening: *Sustainable*

Join us, at White Horse Farm (Yamhill, OR) for a community screening of *Sustainable*.

A vital investigation of the economic and environmental instability of America's food system, from the agricultural issues we face — soil loss, water depletion, climate change, pesticide use — to the community of leaders who are determined to fix it. *Sustainable* is a film about the land, the people who work it and what must be done to sustain it for future generations.
